

## ACREDIA Single<sup>A</sup> – safe start.

ACREDIA is Austria's leading credit insurance provider, protecting receivables at home and abroad. The company monitors the risks facing its Insured Persons and steps in if a Buyer fails to pay.

### Insure all transactions with a single buyer

You're establishing a new business relationship or looking to strengthen an existing one, but are unsure of your new customer's liquidity or reliability? Play it safe. With ACREDIA Single you can secure all receivables from a business partner in a targeted manner.

#### Advantages of ACREDIA Single:

- You can insure a specific buyer.
- Simple and straightforward: monthly premium calculation based on your credit limit.
- We cover the financial risk of insolvency and payment default, plus political risk and production risk on request.
- We can assist you with your receivables management and maintain your liquidity by providing fast payment of indemnification in the event of a claim.

#### Popular extra options:

- **Political risk:** we provide support for your business activities, even if you work in difficult markets.
- **Preshipment risk:** we cover your costs for work in progress and procurement especially for customised products.

Do you have any questions? If so, we would be happy to assist you with these over the phone on +43 (0)5 01 02 0 or via email at [sales@acredia.at](mailto:sales@acredia.at).

### Insured by the market leader

With a total market share of more than 50 percent, ACREDIA is Austria's leading credit insurance provider. The independent Austrian credit insurer impresses with all the expertise you expect from a global market leader and motivated specialists where you need them.
